

EOL Announcement for Persee 2

Dear customers:

In order to better assist you in addressing market changes and the challenges of technological innovation, Orbbec Optical has provided the key lifecycle milestone points for the **Persee 2**. We hope this information will serve as a reference for your future product planning and development.

Milestone	Date	Remark
EOL announcement	2026-06-10	EOL publicity date
EOM	2026-12-30	End of Marketing. The EOM date is the date when the product stops accepting orders, including orders for new sites and capacity expansion. After that date, the product will no longer be sold.
EOS	2028-12-30	End of Service & Support. It refers to the last date of the service. After the EOS date, Orbbec does not provide any service for the product. Including software and hardware problem support and update.
Replacement product		
End of Life product	Replacement product	
Persee 2	Gemini 2L/335L/336L +customer-owned development board (e.g. Raspberry Pi 5)
